## **HELPING TO HEAL CONCERT CANCELLED**

(October 12, 2005) The "Helping To Heal" Concert rescheduled for Sunday, October 16 at Pizza Hut Park, is cancelled due to scheduling conflicts..

Full refunds will be given. Those who purchased tickets online or over the phone will be receiving a full refund through Ticketmaster. Those who purchased tickets from a school, should return the tickets to the school where purchased, for a full refund.

"We appreciate all the support this event received, including the willingness to help from organizers, participants and the vendors who generously donated goods and services to the effort," said Mayor Mike Simpson.

While the Helping To Heal concert is cancelled, event organizers say The Vocal Majority remains interested in performing in Frisco and is already talking with the Frisco Independent School District about a future performance date.
